- **Early Discounted Team Fee is \$250, inclusive for team of 4-8 shooters if received before April 16.** (If received between April 16 and May 17 the regular fee applies of \$300)
- **Early Discounted Individual Fee is \$62.50, (you will be linked with a team) if received before April 16.** (If received between April 16 and May 17 the regular fee applies of \$75)
- League cost per round of 50 targets for all league shooters is our Club Member rate of \$22 (plus tax).
- Shoot, Combo, & Corporate Club Members are encouraged to use / purchase large target discount cards for league use.
- **Annual Spring Initial Club Membership Sale: \$50 off of all Initial Club Memberships purchased thru May 17. Ask at Club!!!**

*** Scoring:**

Each league round must be identified to staff prior to shooting. Each target must be marked with an X or O, hit & loss on the scorecard. A hit is a visible chip verified by one other person in your shooting group. Once the shooting is finished, you must count & record your score, & sign your scorecard (attesting it's true and accurate). Each team must post at least 4 individual scores per round. The 4 highest scores (from 4 separate team members) will count for any given round. The other scores will not be used for that round. If you miss a league round, you will be given a zero. If a team does not post at least 4 scores (from 4 separate team members) for a league round the team will receive a zero.

*****NEW RULE FOR 2020: THERE IS NO RE-SHOOTING OF ANY STATIONS FOR BETTER SCORE DURING A LEAGUE ROUND OR PRACTICE SHOOTING A STATION PRIOR TO SCORING IT. Once you have started a league round you must complete and score a station before any practice shooting at that particular station can take place. Anyone found doing this will be considered cheating and be removed from the league. You CAN practice shoot as much as you want AFTER scoring a station, those practice scores CANNOT be turned in for league.*****

*** Team Competition, Classes, and Team Scoring:**

Team Competition will be based on a sliding team class system. Class breakdowns will be established after the first session is complete. Teams will compete using the best 4 individual scores per league round from each team. Each class winner will be determined by highest total score. If there are any ties a shoot-off will be conducted. All class winners receive trophies & prizes.

*** Individual Competition:**

Each shooter that completes all 10 rounds will compete for the Overall High Gun Award, Overall High Ladies Award, and Overall High Youth Award (age 17 and under). If there are any ties, a shoot-off will be conducted to determine the winner. All winners receive trophies & prizes.

*** Card Readers/Show Birds:**

For league rounds, we will give the individual/group a count-up card. A free show bird for each machine is given on the FIRST round of each session. Shooters who have already shot any given session are expected to be the first shooter / show bird for others in your group.

NO ADDITIONAL FREE SHOW BIRDS WILL BE GIVEN. Any additional birds shot over 50 targets per shooter will be charged \$.44 per target.

**Club members are encouraged to use / purchase large target discount target cards (show birds not included in this already great discount).

2020 League & Member Banquet & Fun Shoot – Sunday September 13, 2020

*** League Banquet Information:**

Dinner & Shooting Tickets will be available in August for a small fee, for all league members & your guests. Awards ceremony & prize drawings will take place after the dinner. At least one gun as well as a ton of other great prizes will be given away during the banquet. More information to come on this event.

*** Awards & Prizes:**

For individual awards & prizes you must shoot / post all 10 rounds of league. For team awards, you must shoot / post at least 4 individual scores per round, for all 10 rounds of league; and have at least one team member present at the banquet to accept awards.
