- **Early Discounted Individual Fee is \$68.75, (you will be linked with a team) if received before April 15.** (If received between April 15 and May 16 the regular fee applies of \$81.25)
- League cost per round of 50 targets for all league shooters is our Club Member rate of \$23 (plus tax).
- Shoot, Combo, & Corporate Club Members are encouraged to use / purchase large target discount cards for league use.
- **Annual Spring Initial Club Membership Sale: \$50 off of all Initial Club Memberships purchased thru May 16. Ask at Club!!!**

### **\*\*\* Scoring:**

Each league round must be identified to staff prior to shooting. Each target must be marked with an X or O, hit & loss on the scorecard. A hit is a visible chip verified by one other person in your shooting group. Once the shooting is finished, you must count & record your score, & sign your scorecard (attesting it's true and accurate). Each team must post at least 4 individual scores per round. The 4 highest scores (from 4 separate team members) will count for any given round. The other scores will not be used for that round. If you miss a league round, you will be given a zero. If a team does not post at least 4 scores (from 4 separate team members) for a league round the team will receive a zero.

**\*\*\* THERE IS NO RE-SHOOTING OF ANY STATIONS FOR BETTER SCORE DURING A LEAGUE ROUND OR PRACTICE SHOOTING A STATION PRIOR TO SCORING IT. Once you have started a league round you must complete and score a station before any practice shooting at that particular station can take place.** Anyone found doing this will be considered cheating and be removed from the league. You CAN practice shoot as much as you want AFTER scoring a station, those practice scores CANNOT be turned in for league.\*\*\*

### **\*\*\* Team Competition, Classes, and Team Scoring:**

Team Competition will be based on a sliding team class system. Class breakdowns will be established after the first session is complete. Teams will compete using the best 4 individual scores per league round from each team. Each class winner will be determined by highest total score. If there are any ties a shoot-off will be conducted. All class winners receive trophies & prizes.

### **\*\*\* Individual Competition:**

Each shooter that completes all 12 rounds will compete for the Overall High Gun Award, Overall High Ladies Award, and Overall High Youth Award (age 17 and under). **A shoot-off amongst the top shooters in each category will be conducted on Saturday, Sept. 11, 2021 to determine the High Overall winners.** All winners receive trophies & prizes.

### **\*\*\* Card Readers/Show Birds:**

For league rounds, we will give the individual/group a count-up card. A free show bird for each machine is given on the FIRST round of each session. Shooters who have already shot any given session are expected to be the first shooter / show bird for others in your group.

**NO ADDITIONAL FREE SHOW BIRDS WILL BE GIVEN.** Any additional birds shot over 50 targets per shooter will be charged \$ .46 per target.

\*Club members are encouraged to use / purchase large target discount target cards (show birds not included in this already great discount).

## **2021 League & Member Banquet & Fun Shoot – Sunday September 12, 2021**

### **\*\*\* League Banquet Information:**

Dinner & Shooting Tickets will be available in August for a small fee, for all league members & your guests. Awards ceremony & prize drawings will take place after the dinner. At least one gun as well as a ton of other great prizes will be given away during the banquet.

### **\*\*\* Awards & Prizes:**

**For individual awards & prizes you must shoot / post all 12 rounds of league. For team awards, you must shoot / post at least 4 individual scores per round, for all 12 rounds of league; and have at least one team member present at the banquet to accept awards.**
