Blaze orange and shooting glasses are required.

**“Wow – That Was Great!”**

Our Euro courses are centered in our hunting fields and hidden in our pine groves. Ten shooting stations surround the pines in a large circle. Release birds and then shooters rotate to a new station. (Shooters will shoot at all ten stations)

At the end of the shoot all harvested birds will be divided equally between the shooters. You and your dogs can scratch hunt after lunch. Bird cleaning is available for a fee.

**Hunts Point Gun Club, 2142 76<sup>th</sup> Street SW (Co Rd 29), Pequot Lakes, MN. 56472**
